Under tab “**Employment docs**” screen in highlighted activity row you may link 1 file only.

If you scan document containing few pages you need to merge all pages into 1 PDF file before you link this.

When you are unable to set scanning mode on your scanner into PDF file format or merge pages you should save each page separately in one folder. Then just ZIP this folder and link into proper activity row as mentioned above.

How to ZIP folder:

1. save each page in the same folder
2. Make right click on folder name, choose **“Send to”** command and click **“Compressed (zipped) folder”**

You may receive system warning:

3. Just simply click **“Yes”** button and zipped folder will be saved on computer Desktop.
4. Link zipped folder into proper activity row and **“SAVE”**. Remember zipped folder size max. 2 Mb.

When all is done **“Log off”** from your O!JA profile.
